President, American College of Medical Toxicology
NY University School of Medicine, New York, NY
- 8:30–9:20am **Keynote Address:**
***Escherichia coli* O157:H7: The Toxin, the Target, and the Timing**
Phillip I. Tarr, MD, Director, Division of Pediatric Gastroenterology & Nutrition
Washington University School of Medicine, St. Louis, MO
- 9:20–9:55am **Turning Marine Toxins Into Drugs**
William Fenical, PhD, Director, Center for Biotechnology and Biomedicine
Scripps Institution of Oceanography, UC San Diego, La Jolla, CA
- 9:55–10:15am **Break**
- 10:15–10:50am **Sepsis Update: Emergency Department Physicians on the Frontline**
Peter F. Fedullo, MD, Director, Medical Intensive Care Unit – Hillcrest
UC San Diego School of Medicine, La Jolla, CA
- 10:50am–12:00pm **Breakout Sessions:**
- A. **Case Studies in Antimicrobial Toxicity**
S. Eliza Halcomb, MD, Section Chief of Medical Toxicology
Washington University School of Medicine, St. Louis, MO
 - B. **HIV–Mainstream/Alternative Therapies & Toxicity**
Andrew I. Stolbach, MD
Johns Hopkins University, Baltimore, MD
 - C. **Botulinum and Tetanus Toxicology**
Rama B. Rao, MD, FACMT, Director, Medical Toxicology
Weill Cornell Medical Center, New York, NY
- 12:00–12:45pm **Presidential Keynote Address:**
Research–Based Drug Safety Advocacy
Sidney M. Wolfe, MD, Director
Health Research Group, Public Citizen, Inc., Washington, DC
- 12:45–2:15pm **Professional Development Concurrent Sessions:**
- A. **Medical Toxicology Careers in Drug Development**
Sam Jackson, MD, MBA, Genentech, Inc., San Francisco, CA
 - B. **Tricks of the Trade: Evaluation and Management Coding for Medical Toxicology**
Leslie R. Dye, MD, FACMT, MediSync Midwest, Cincinnati, OH
- 2:15–4:30 **Afternoon Break**
- 4:30–6:30pm **Fellows–in–Training Research Presentations**

**ACMT President's Reception

The American College of Medical Toxicology (ACMT) is a professional nonprofit association of physicians with recognized expertise and board certification in medical toxicology. The College is dedicated to advancing the science and practice of medical toxicology and to ensuring that patients exposed to poisons and toxic substances receive optimal care by direct contact with qualified medical toxicologists. ACMT has extensive experience in producing highly regarded educational programs. These include symposia at national medical meetings, regional conferences for public health and healthcare professionals, and review courses for the medical toxicology certification examination. See www.acmt.net for more information.

Who Should Attend?

The intended audience is medical toxicologists, clinical toxicologists, specialists in poison information, pediatricians, emergency physicians, and other health care providers, public health officials and scientists who deal with poisoned patients or environmental health.

Organizing Committee

S. Eliza Halcomb, MD, Chair
Michele Burns Ewald, MD, FACMT
Spencer C. Greene, MD
William P. Kerns II, MD, FACMT
Erica L. Liebelt, MD, FACMT
Alicia Minns, MD
Lewis S. Nelson, MD, FACMT
Paul M. Wax, MD, FACMT

Learning Objectives

- To understand the mechanism of toxicity of virulence factors of various microorganisms, recognize and manage the diseases that they produce.
- To understand the mechanism of adverse drug reactions of antimicrobials, chemotherapeutic agents, and medications commonly used in the management of intensive care patients in order to improve safety practices when using these agents.
- To understand the environmental impacts associated with the disposal of drugs and agents used in radiologic procedures.

Continuing Education

The University of Alabama School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Alabama School of Medicine designates this educational activity for a maximum of **14 AMA PRA Category 1 credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Alabama School of Medicine is an equal opportunity/affirmative action institution.
