

ACMT 1st Forensic Course: Ethanol and Marijuana

Presented by:

American College of Medical Toxicology

In association with

Society of Forensic Toxicologists

Sheraton Inner Harbor Hotel

Baltimore, Maryland

November 18 & 19, 2009

American College of Medical Toxicology

Physicians Specializing in the Care of Poisoned Patients

Topics Include

- Pending Toxicology - Role of the Toxicologist in the Post-Mortem Examination
- Neurobiology of Impairment
- Pharmacokinetics & Pharmacodynamics of EtOH
- Interpretation of EtOH Testing Results
- Driving Under the Influence of EtOH
- Retrograde Extrapolation and Other EtOH Calculations
- Attorney Perspective of EtOH Related Litigation
- Field Sobriety Testing & Drug Recognition Expert Demonstration
- Dramshop Issues
- Pharmacokinetics & Pharmacodynamics of Cannabinoids
- Interpretation of Cannabinoid Testing Results
- Driving Under the Influence of Cannabinoids
- Building a Forensic Practice

Confirmed Speakers

Jeffrey Brent, MD, PhD

University of Colorado School of Medicine

Robert Forney, Jr, PhD

Chief, Forensic Toxicologist

Lucas County Coroners Office, Toledo, Ohio

Marilyn Huestis, PhD

Chief, Chemistry and Drug Metabolism Section

National Institute of Drug Abuse, Baltimore, MD

Erin Karschner

Research Associate

National Institute of Drug Abuse, Baltimore, MD

Gary Kay, PhD

Clinical Associate Professor of Neurology and the

Director of Neuropsychology

Georgetown University, Washington, DC

Barry Levine, PhD

Office of Chief Medical Examiner, Baltimore, MD

Barry Logan, PhD, DABFT

Director, Forensic Services

NMS Labs, Willow Grove, PA

David Schwopce

Research Associate

National Institute of Drug Abuse, Baltimore, MD

Michael Smith, PhD

Division of Forensic Toxicology

National Institute of Drug Abuse, Baltimore, MD

What is ACMT?

The American College of Medical Toxicology (ACMT) is a professional nonprofit association of physicians with recognized expertise and board certification in medical toxicology. The College is dedicated to advancing the science and practice of medical toxicology and to ensuring that patients exposed to poisons and toxic substances receive optimal care by direct contact with qualified medical toxicologists.

ACMT has extensive experience in producing highly regarded educational programs. These include symposia at national medical meetings, regional conferences for public health and healthcare professionals, and review courses for the medical toxicology certification examination.

Registration

ACMT Member.....\$525 (\$475 before 08/01/09)

Member of The American College of Medical Toxicology

SOFT Member\$525 (\$475 before 08/01/09)

Member of The Society of Forensic Toxicologists, Inc

Physician, PhD, PharmD Non-Member\$575 (\$525 before 08/01/09)

Fellow, Student, Lab Tech, Nurse, SPI\$325 (\$275 before 08/01/09)

Registration includes all conference sessions, breakfasts, lunch seminar, refreshments and reception. Register online at www.acmt.net or call ACMT at 623-533-6340.

Who Should Attend?

This conference is targeted toward medical, clinical, forensic and laboratory toxicologists, and others with an interest in the legal aspects of intoxication.

Course Goals & Objectives

The conference goal is to provide an intensive course on the forensic aspects of ethanol and marijuana. Leaders in the field will cover issues pertaining to biochemistry, toxicokinetics, clinical effects, and laboratory analysis and interpretation of these widely available intoxicants. Recent advances in understanding the neurobiology of impairment will be presented. Issues related to the choice of matrix (blood, urine, oral fluid and hair) will be analyzed. Special emphasis will be given to a thorough understanding of the scientific basis for the assumptions, modeling, and calculations used in these cases. Small group, interactive, and multimedia presentations will be used to enhance the curriculum.

Course Organizers

Marilyn Huestis, PhD
Barry Logan, PhD
Charles McKay, MD, FACMT
Lewis Nelson, MD, FACMT
Paul Wax, MD, FACMT

CME Provider Information

Application to the Hartford Hospital for AMA Physician Recognition Award Category 1 Accrediting Council for Continuing Medical Education (CME) accreditation is pending.

Cancellation Policy

Cancellations received in writing on or prior to October 7, 2009 are subject to a \$150 processing fee. Refunds will not be granted after October 7, 2009. Please mail cancellations to ACMT, email to info@acmt.net, or fax to 623-533-6340.

Accommodations

Surround yourself with the best of Baltimore at the Sheraton Inner Harbor Hotel. Connected to the Convention Center and a brief walk from the magnificent Inner Harbor and Oriole Park at Camden Yards, we are convenient to everything that makes our city so wonderful. Get in on it with your friends and family and explore The National Aquarium and Maryland Science Center. Stroll around our charming and lively neighborhood. Or take in historic Fort McHenry - birthplace of the Star Spangled Banner.

ACMT has secured a block of rooms at the group rate of \$179 per night single/double occupancy. Applicable taxes will also be applied. The ACMT room rate is available 3 days before and 3 days following the conference, based on availability. Make your reservations online by accessing the reservation link located on the ACMT website (www.acmt.net) or by calling 410-962-8300 or toll-free 800-325-3535. Be sure to identify American College of Medical Toxicology to ensure the contracted group rate. Group rates are available until October 27, 2009.
