

ACMT FIT Visiting Professor Lecture 2024 NACCT in Denver, Colorado September 19 - 23, 2024

ACMT FIT Visiting Professor Lecture - Request for Proposals - Deadline: January 8, 2024

The Fellows-in-Training (FIT) Visiting Professor Lecture is a 60-minute presentation delivered by an ACMT member to fellows-in-training at NACCT. This is a great opportunity for a medical toxicologist to present an interesting and/or innovative aspect of medical toxicology while fostering the education of trainees.

Previous FIT Visiting Professor Lecture topics have included:

- Core Knowledge in Occupational Toxicology. Don't Leave Your Training Without It! Michael Greenberg
- The Power of Writing: Why Doing It Well Is Important to a Medical Toxicologist, Bryan Judge
- Investigating Medication Safety Events: Becoming the Expert at Your Future Institution, Brenna Farmer and Jeanmarie Perrone
- How Can an MPH Enhance Your Toxicology Career? Stephen Munday and Josh Schier
- How to Start Up a Forensic Toxicology Practice, Jerrold Leikin
- Professional Organizations and Your Toxicology Career, Lewis Nelson, Michelle Ruha, Shawn Varney, Adam Pomerleau
- Using Conceptual Frameworks in Medical Toxicology, Bryan Judge
- Global Toxicology: Opportunities for Fellows-in-Training, Ziad Kazzi, Rais Vohra
- Medical Directorship as a Career Path for Toxicologists, JoAn Laes, Tim Wiegand, Carson Harris, Tseganesh Selamaeb, Andrew Topliff
- The Advantage Of Developing A Niche For Your Medical Toxicology Career, Chris Hoyte
- Pursuing a Research Career as a Medical Toxicology Young Investigator: The Good, the Bad and the Ugly, Stephanie Carreiro, David Jang (2018)
- Teaching Toxicology to Other Professionals: The How and Why of Continuing Medical Education (2019)
- Forensic Toxicology Opportunities Beyond Medical-Legal (Litigation) Consulting, Jerry Leikin (2020)
- Making a Decision to Apply for Board Certification in Addiction Medicine, Leslie Dye (2022)
- Financial Literacy for the Recently Graduated, Kristine Nañagas (2023)

How to Apply

Proposals should include:

1. Proposed Lecture Title
2. Name of Presenter(s)
3. Presentation Background
4. Learner Objectives (minimum of 2)
5. Presentation Method

All proposals will be peer-reviewed by members of the ACMT Education Committee and ACMT leadership. If selected, your proposal will be forwarded to NACCT for final approval (anticipated final decision by February 2024).

Deadline: January 8, 2024

Travel Support

ACMT members participate at NACCT at their own expense. Proposals may each include one non-toxicology expert for whom ACMT can potentially provide travel, hotel, and complimentary registration to attend the meeting. However, ACMT cannot guarantee this prior to final review and decision.
