

2026 Conference Program

Annual Scientific Meeting & Symposia

March 18-22, 2026 | Boston, MA

Hilton Boston Park Plaza

#ACMT2026 AACT Symposium | Pop Tox & Tik Tox

Hilton Boston Park Plaza, Boston, MA

Wednesday, March 18, 2026

11:45-11:50 PM

● **Welcome & Opening Remarks**

11:50-12:20 PM

● **The Rise of Social Media: A History and its Role in Medicine**

Joshua Trebach, MD, FAACT
Assistant Professor of Emergency Medicine, Associate Medical Director of Iowa Poison Control Center, University of Iowa Hospitals and Clinics

12:20-12:50 PM

● **TikTok Brain Rot: Exploring Online Toxic Fads**

Cory Howard, MD Associate Medical Director, Florida Poison Information Center-Tampa, Assistant Professor, USF Health Morsani College of Medicine Core Faculty, USF Emergency Medicine Residency, USF Medical Toxicology Rotation Director, Tampa, Florida

12:50-1:20 PM

● **Fitness and Diet Toxicology in Social Media**

Chris Hoyte, MD, Medical Director, Rocky Mountain Poison Center Professor, Department of Emergency Medicine, University of Colorado SOM, Denver, CO

1:20-1:50 PM

● **AI and Toxicology**

Joshua Bloom, MD, PhD, Co-Director, Division of Medical Toxicology, Department of Emergency Medicine, NYC Health+Hospitals/ Jacobi-North Central Bronx Assistant Professor, Albert Einstein College of Medicine, Bronx, NY

1:50-2:00 PM

● **Break (10 minutes)**

2:00-2:30 PM

● **A Sucker for Ads: Advertising and Toxicology on Social Media**

Michael S. Toce, MD, MS, FACMT, Associate Physician in Pediatrics, Boston Children's Hospital/Harvard Medical School

2:30-3:00 PM

● **Next Day Delivery: Shopping for Tox Online**

Monica Thacker, MD, Medical Toxicology Fellow, Boston Children's Hospital / Harvard Medical School, Boston, MA

3:00-3:30 PM

● **How are People Using Online Platforms like Reddit - and How Can We Use it Too**

Kira Galeano, MD, Emergency Medicine Physician & Medical Toxicologist | Brown Emergency Medicine, Assistant Professor of Emergency Medicine | Warren Alpert School of Brown University, Providence, RI

3:30-4:00 PM

● **Netflix and Tox: Toxicology on the Big Screen**

Kyle Suen, MD, Assistant Professor, Baylor College of Medicine, Dallas, TX

4:00-4:30 PM

● **Kids These Days: Pediatrics and Social Media**

Vincent Calleo, MD, MBA, FACEP, FAAP, Medical Director, Upstate New York Poison Center, Division Chief, Medical Toxicology, Assistant Professor of Emergency Medicine and Pediatrics, SUNY Upstate Medical University

4:30-5:30 PM

● **Technology for Good**

Joshua Trebach, MD, FAACT
Joshua Bloom, MD, PhD
Vincent Calleo, MD, MBA, FACEP, FAAP
Kira Galeano, MD

● **Closing Remarks**

#ACMT2026 Toxicosurveillance of Emerging Substances in the Management of SUD Hilton Boston Park Plaza, Boston, MA

Thursday, March 19, 2026

8:50-9:00 AM

● Welcome & Opening Remarks

9:00-10:00 AM

● **Donovan Lecture | The Changing Landscape of American Street Drugs**
Nabarun Dasgupta, PhD, MPH, Senior Scientist, The University of North Carolina at Chapel Hill

10:00-10:45 AM

● **Implementation of Drug-Checking Programs in Different Settings**
Rachel Wightman, MD, FACMT, Associate Professor of Emergency Medicine and Epidemiology, Brown University
Yarelix Estrada, MPH, Drug Checking Manager, NYC Department of Health and Mental Hygiene

10:45-11:30 AM

● **The Promise and Perils of Drug Checking: A Debate on Toxicosurveillance**
Moderator: Leslie Dye, MD FACMT FASAM, Clinical Prof, Emergency Medicine, Assistant Medical Dir, Wright State Univ/Boonshoft School of Medicine, OneFifteen
Lewis Nelson, MD, MBA, FACMT, FASAM, Dean and Chief of Health Affairs, Professor of Emergency Medicine / Medical Toxicology, Florida Atlantic University
Jennifer Love, MD, Assistant Professor of Emergency Medicine, The Mount Sinai Hospital

11:30-1:00 PM

● Lunch Break (90 min)

1:00-1:45 PM

● **Toxicosurveillance via EMS-based data collection (RENDOR)**
Alyssa Falise, PhD, MSPH, Research Associate, American College of Medical Toxicology
Kim Aldy, DO, MBA, MS, ToxIC Program Director, American College of Medical Toxicology
Rachel Culbreth, PhD, MPH, ToxIC Research Director, American College of Medical Toxicology

1:45-2:30 PM

● **Operationalizing Toxicosurveillance for Clinical Care: A Case Study Panel**
Moderator: Jeanmarie Perrone, MD, FACMT, Professor of Emergency Medicine, Hospital of the University of Pennsylvania
Michael Lynch, MD, FACMT, Medical Director, Pittsburgh Poison Center, University of Pittsburgh
Simon Ostrowski, MD, Fellow, University of Pittsburgh Medical Center
Axel Adams, MD, Fellow, Cook County Health and Hospitals System
Alex Krotulski, PhD, Associate Director of Toxicology & Chemistry, The Center for Forensic Science Research and Education, Willow Grove, PA

2:30-2:45 PM

● Break (15 min)

2:45-3:15 PM

● **New research Methods in Toxicosurveillance**
Stephanie Weiss, MD, PhD, Staff Clinician, Translational Addiction Medicine Branch, National Institute on Drug Abuse
David H. Epstein, PhD, Chief, Real-world Assessment, Prediction, and Treatment Section, NIDA

3:15-3:45 PM

● **~LIVE ONLY~**
Community-Based Toxicosurveillance in Two States: Translating Research into Practice
Alexis Cates, DO, Attending Physician, Emergency Medicine and Medical Toxicology, Ochsner Medical Center
Travis D. Olives, MD, MPH, MEd, FACMT, Emergency Medicine Physician & Associate Medical Director, Hennepin HealthCare & Minnesota Poison Control System

3:45-4:15 PM

● **A Rise in Stimulant-Only Deaths?**
James Gill, MD, Chief Medical Examiner, Office of the Chief Medical Examiner CT
Robert Hendrickson, MD, FACMT, Professor of Emergency Medicine, Medical Director, Program Director, Oregon Health and Science University, Oregon Poison Center, OHSU Fellowship in Medical Toxicology

#ACMT2026 Tox Boot Camp
Quantifying Risk – The Facts, Communicating Risk –
The Feelings | An Overview for Medical
and Clinical Toxicologists
Hilton Boston Park Plaza, Boston, MA

Thursday, March 19, 2026

- 8:50-9:00 AM** • **Welcome & Opening Remarks**
- 9:00-11:30 AM** • **Risk Assessment Overview for Medical and Clinical Toxicologists**
Philip Goodrum, PhD, DABT, Principal Toxicologist, GSI Environmental
- 11:30-1:00 PM** • **Lunch (90 minutes)**
- 1:00-2:30 PM** • **Risk Communication Overview for Medical Toxicologists**
David Ropeik, Risk Communication Expert, Retired Harvard Instructor, Author
- 2:30-2:45 PM** • **Break (15 minutes)**
- 2:45-3:45 PM** • **Exercises, Q&A and Discussions**
David Ropeik, Risk Communication Expert, Retired Harvard Instructor, Author
- 3:45-4:00 PM** • **Debrief Session**
Diana Felton, MD, Division Chief, Hawaii State Department of Health
- 4:00-4:05 PM** • **Closing Remarks**

This is a preliminary agenda and subject to change. All times listed in local, Eastern Time Zone.

#ACMT2026 Annual Scientific Meeting

March 20-22, 2026
Hilton Boston Park Plaza, Boston, MA

Updated: 2/23/26

Friday, March 20, 2026

Room Grand Ballroom (A)

7:45-8:00 AM

Welcome & Introductions

8:00-8:45 AM

Injecting Hope: Repurposing GLP-1RAs for Addictive Disorders

Moderator: James Whitlege, MD, Assistant Professor of Emergency Medicine, Larner College of Medicine
Joji Suzuki, MD, Program Director, Mass General Brigham Division of Addiction Treatment and Prevention Psychiatry Department, Addiction Medicine Fellowship Program; Associate Professor of Psychiatry, Harvard Medical School
Stephanie Weiss, MD PhD, Staff Clinician, TAMB Branch of the NIDA IRP

8:45-9:30 AM

From Particles to Pathology: Understanding the Toxicological Impact of Microplastics on Environmental and Occupational Health

Manijeh Berenji, MD, MPH, FACOEM, Chief of Occupational Health, VA Long Beach Healthcare System, Board-certified in Occupational & Environmental Medicine and Preventive Medicine, Associate Clinical Professor, UC Irvine School of Medicine

Philip J. Landrigan, MD, MSc, Professor and Director, Program for Global Public Health and the Common Good, Boston College, Founding Director, Global Observatory on Pollution and Health, Former Director, Children's Environmental Health Center, Mount Sinai School of Medicine

Michael J. Kosnett, MD, MPH, FACMT, MD, MPH, FACMT, Associate Clinical Professor, Division of Clinical Pharmacology & Toxicology, University of Colorado

9:30-10:30 AM

Platform Session 1

Room Statler Room

10:30-11:30 AM

Poster Session 1

11:30-1:00 PM

Break / ACMT Committee Meetings

Room

12:30-2:00 PM

Georgian Room

ACMT MedTox Case Panel

Aluminum Phosphide toxicity requiring international collaboration and ECMO | by Hector Barreto-Vazquez, MD

Acute Myoclonus with Encephalopathy: A Diagnostic Puzzle | Nancy Mikati, MD

A Successful Case of Ventricular Pacing in Aconite Poisoning | Claire Seo, MD

Room Arlington/Berkley/Clarendon

1:00-3:00 PM

ANTIDOTE Resarch Forum

Room Grand Ballroom (A)

1:00-2:00 PM

Annual Review of Medical Toxicology Publications - Articles You May Have Missed from 2025-2026

Nicholas Nacca, MD, FACMT, Medical Toxicologist, University of Rochester Medical Center

This printed agenda should be considered a general guide and is subject to change. The most up-to-date version and activity details (like committee meeting times and locations) can be found on the ACMT Events app. Unless indicated otherwise, sessions take place in the Main (Grand Ballroom (A)) Ballroom. All times listed in local, Eastern Time Zone.

Friday, March 20, 2026

Track Room

Tech and Data Frontiers in MedTox Grand Ballroom (A)

MedTox in Public Health and Safety Georgian Room

Principles and Practice of MedTox Arlington/Berkley/Clarendon

2:10-2:40 PM

Harnessing HAL: The Role and Promise of Artificial Intelligence in Medical Toxicology

Michael Chary, MD, PhD, Assistant Professor in Emergency Medicine and Medical Toxicology, Weill Cornell Medical College

Edward Shin, MD, Assistant Professor of Emergency Medicine, Emory University

Medical Toxicology in Public Health - Lessons from the Field

Diana Felton, MD, Division Chief, Hawaii State Department of Health

2:50-3:20 PM

Toxicology Research: Leveraging the power of large databases

Michael Toce, MD, FACMT, Associate Physician in Pediatrics, Boston Children's Hospital/Harvard Medical School

Michael Simpson, MD, Emergency Medicine Physician, Beth Israel Deaconess Medical Center, Harvard Medical School

Medical Toxicologists in Toxicological Mass Casualty Events: Indispensable Experts or Redundant Resource?

Ophir Lavon, MD, Carmel Medical Center, Haifa, Israel

Charles McKay, MD, FACMT, Associate Clinical Professor, University of Connecticut School of Medicine, Farmington, CT

Ziad Kazzi, MD, FACMT, Toxicology Clinic Director, Emory University

3:30-4:00 PM

Future frontiers in Toxicology: Digital biomarkers, Sensor systems and digital phenotyping as strategies to understand substance use and its comorbidities

Peter R Chai, MD, MMS, Associate Professor of Emergency Medicine and Medical Toxicology, Brigham and Women's Hospital

Stephanie Carreiro, MD, PhD, Associate Professor, Vice Chair of Research in Emergency Medicine and Medical Toxicology, University of Massachusetts Chan Medical School

Brenda Curtis, PhD, MsPH, Chief of the Technology and Translational Research Unity, National Institute on Drug Abuse

~LIVE ONLY~

A Collaborative Effort to Educate, Communicate Risks, and Protect Service Members, Athletes, and Consumers from Problematic Dietary Supplement, Health, and Wellness Products

Moderator: Christopher Hoyte, MD, Professor, Emergency Medicine, University of Colorado

Andrea T. Lindsey, MS, Director, Operation Supplement Safety, Assistant Professor and Senior Nutrition Scientist, Consortium for Health and Military Performance, Uniformed Services University

Jonathan D. Coyles, Esq., Senior Vice President, Drug Health and Safety Programs, Major League Baseball, New York, NY

#burn: A Guide to Chemical and Radiation Burns for Toxicologists

Emily Kiernan, DO, FAACT, FACEP, Emory University School of Medicine, Georgia Poison Center

4:00-5:00 PM

Break / ACMT Committees

5:00-6:30 PM

ACMT Annual Members Meeting and Awards Ceremony

6:30-8:00 PM

ACMT President's Reception

You're Invited!

All registered attendees of **#ACMT2026** are invited to the ACMT President's Reception, immediately following the annual awards ceremony. **Bring your drink tickets!**

Free drinks. Good friends.

Saturday, March 21, 2026

Room Grand Ballroom (A)

7:50-8:00 AM

Morning Announcements

8:00-8:15 AM

Becker Medal Presentation

Presenter: Michael Kosnett, MD, MPH, FACMT, Associate Clinical Professor, University of Colorado
2026 Recipient: Matthew R. Dernbach, MD, Medical Toxicology Fellow, Emory School of Medicine

8:15-9:00 AM

2026 ACMT Career Achievement Award | Opportunity is a Four Letter Word

Charles McKay, MD, FACMT, Associate Clinical Professor, University of Connecticut School of Medicine, Farmington, CT

9:00-9:30 AM

Unveiling the Hidden Threat: Environmental Causes of Pediatric Cancer

Moderator: Alan Woolf, MD, MPH, FACMT, FAAP, FAACT, Co-Director, Pediatric Environmental Health Center, Boston Children's Hospital, Professor, Harvard Medical School

Marissa Hauptman, MD, MPH, FAAP, Co-Director, Pediatric Environmental Health Center, Boston Children's Hospital, Assistant Professor, Harvard Medical School

9:30-10:00 AM

Novel Diagnostics and Therapeutics for Organophosphate Poisoning

David Jang, MD, MSc, FACMT, University of Pennsylvania School of Medicine, Department of Emergency Medicine

10:00-11:00 AM

Platform Session 2

Room Statler Room

11:00-12:00 PM

Poster Session 2

Room Grand Ballroom (A)

12:00-1:30 PM

Bayer Sponsored Session | SCIENCE & STORYTELLING: An Essential Partnership for a Better World - A Cinematic Talk with Neil deGrasse Tyson & Oscar-Nominated Filmmaker Scott Hamilton Kennedy

Track Room

1:30-2:30 PM

Expanding the Role of MedTox
Georgian Room

AACT Panel | Paralytic Shellfish Poisoning: Clinical Insights from the Pacific Northwest
Moderator: Caroline Wight, MD, MPH, Fellow In Training in Medical Toxicology, Emergency Medicine Physician, Oregon Health and Science University, Oregon Poison Center
Keahi M. Horowitz, MD, Medical Toxicologist, Oregon Health & Science University, Oregon Poison Center, Portland, OR
Courtney Temple, MD, Assistant Professor of Emergency Medicine and Medical Toxicology, Assistant Medical Director Oregon Poison Center, Oregon Health & Science University, Oregon Poison Center, Portland, OR
Colleen Cowdery, MD, Medical Director, Washington Poison Center, Seattle, WA

Grand Ballroom (B)

Moderated Poster Forum 2

Break / ACMT Committee Meetings

Cutting-Edge Therapies in MedTox
Arlington/Berkley/Clarendon

Partnering with the Clinical Laboratories to Improve Patient Care and Toxicology Education
Moderator: Stacy Melanson, MD, PhD, Vice Chair Clinical Laboratories, Brigham and Women's Hospital
Christine Snozek, PhD, DABCC, FADLM, Director of Clinical Chemistry, Mayo Clinic
Patrick Kyle, PhD, DABCC, ABFT, Director of Clinical Chemistry, University of Mississippi Medical Center
Paul Wax, MD, FACMT, Executive Director of American College of Medical Toxicology

**Track
Room**

**Emerg. Trends in Addiction Tox
Grand Ballroom (A)**

**Expanding the Role of MedTox
Georgian Room**

**Cutting-Edge Therapies in MedTox
Arlington/Berkley/Clarendon**

2:40-3:10 PM

~LIVE ONLY~

Kratom, 7OH, and Kratom Combination Products: Far More Than Just a Plant Now

Edward W. Boyer, MD, PhD, Ohio State University College of Medicine, Central Ohio Poison Center

Kirsten Smith, PhD, Johns Hopkins University

Case Discussions in Unusual Metal Toxicities

Tyler Lopachin, MD, Fellow-in-Training, Emory University

Rose H. Goldman, MD MPH, Cambridge Health Alliance, Harvard Medical School, Harvard T.H. Chan School of Public Health

Jeremy Berger, DO, MPH, MS, Lt Col, MC (FS), USAF, Harvard

Adding to the Toxicologist's Resuscitation Arsenal: Plasma Exchange for Xenobiotic Induced Acute Liver Failure

Alek Adkins, MD, Director of Education, Division of Medical Toxicology, Staff Medical Toxicologist, Nationwide Children's Hospital, Central Ohio Poison Center, OSUWMC

3:10-3:40 PM

Cannabis Hyperemesis Syndrome Among Adolescents: Up to Date Epidemiologic Evidence on Prevalence, Pathophysiology and Treatment

Michael Toce, MD, FACMT, Harvard Medical Toxicology Fellowship/ Boston Children's Hospital

David Toomey, MD, University of Rochester Medical Center

Michele Burns, MD, MPH, FACMT, Harvard Medical Toxicology Fellowship/Boston Children's Hospital

Outside of the Ivory Tower: Building a Medical Toxicology Practice in any Medical System

Daniel Sessions, MD, FACMT, Chief, Ochsner Medical Center

Dan McCabe, MD, Associate Professor, University of Iowa Health Care

Katherine Katzung, MD, Director, Addiction Medicine & Toxicology Program, Abbott Northwestern Hospital

Todd Phillips, MD, Director of Toxicology, IES

Part 1 | Resuscitation in Distributive Shock from Poisonings

Dazhe James Cao, MD, Associate Professor of Emergency Medicine, Division Chief of Medical Toxicology, UT Southwestern Medical Center, Dallas, TX

Ann Arens, MD, FAACT, Senior Lecturer of Emergency Medicine at The University of Queensland Clinical School - Ochsner Health, Ochsner Medical Center, New Orleans, LA

3:50-4:20 PM

No Laughing Matter: The Expanding Landscape of Nitrous Oxide Misuse
Courtney Temple, MD, Oregon Health & Science University

Ingestions and Investigations: Reimagining Pediatric Poisoning as a Window into Child Safety and Maltreatment

Moderator: Hannah Hays, MD, FACEP, FAACT, FACMT, Medical Director, Central Ohio Poison Center, Chief of Toxicology, Nationwide Children's Hospital, Associate Professor of Emergency Medicine and Pediatrics, The Ohio State University College of Medicine

Luke Hartman, MD PGY7, Pediatric Emergency Medicine Fellow, Child Abuse Pediatrics Fellow, Nationwide Children's Hospital

Part 2 | Extracorporeal Membrane Oxygenation (ECMO) for Distributive Shock

Keahi Horowitz, MD, Emergency Medicine, Medical Toxicology; Oregon Poison Center)

Colleen Cowdery, MD, Emergency Medicine, Medical Toxicology; Washington Poison Center

Colleen Cowdery, MD, Emergency Medicine, Medical Toxicology; Washington Poison Center

4:30-5:30 PM

Break / ACMT Committee Meetings

Room

Grand Ballroom (A)

5:30-7:30 PM

Open Mic Competition

Moderators:

Howard Greller, MD, FACMT, Fellowship Director, Rutgers New Jersey Medical School

Peter Akpunonu, MD, FAAEM, FACEP, FACMT, Associate Professor of Emergency Medicine, Medical Director, Kentucky Poison Control Center, University of Kentucky

Andrew Stolbach, MD, MPH, FACMT, Assistant Professor, Johns Hopkins University

Sunday, March 22, 2026

Room Grand Ballroom (A)

7:50-8:00 AM

● Morning Announcements

8:00-9:25 AM

● International Session:

Moderator: Todd Phillips, MD, FACMT, Director of Toxicology, Integrative Emergency Services

EAPCCT | EPITOX | Beyond the Bedside: The Expanding Role of Medical Toxicology in Global Drug Safety

Ophir Lavon, MD, Carmel Medical Center, Haifa, Israel

MENATOX | Captagon Toxicity and Addition: The Nightmare of The Mena Region

Bruno Mégarbane, MD, PhD, Head of the Department of Medical and Toxicological Critical Care, Paris Cité University Lariboisière Hospital

APAMT | Lead Poisoning in Thailand

Thanjira Jiranantakan, MD, MPH, FACOEM, FAFPHM, FAFOEM, Medical Toxicologist and Public Health Advisor, NSW Ministry of Health

TAPNA | ADHD and Poisoning with Clonidine and other Alpha-2 Agonists

Geoffrey Isbister, MD, Professor, School of Medicine and Public Health, Department of Clinical Toxicology, Calvary Mater Newcastle

9:25-10:10 AM

● The Art of Poison

Timothy B. Erickson, MD, FACEP, FACMT, FAACT, Mass General Brigham, Harvard Medical School

10:10-10:30 AM

● Break

10:30-11:15 AM

● ~LIVE ONLY~

Death by Breastfeeding: The Origin Story of a Toxicological Myth

David Juurlink, MD, PhD, Professor of Medicine, Pediatrics, University of Toronto, and the Ontario Poison Centre Toronto, ON, Canada

11:15-12:15 PM

● Lightning Oral Session

Room Statler Room

12:15-1:15 PM

● Poster Session 3

Grand Ballroom (B)

● Moderated Poster Forum 3

See you next year!

March 30 - April 3, 2027
Sheraton New Orleans
New Orleans, LA

Abstract Presentations

Date **Friday, March 20, 2026**

9:30-10:30 AM

Platform Session 1

001. Association of Myocardial Systolic Function With In-Hospital Mortality in Patients With Drug Overdose-Associated Shock

Michael Simpson, MD, Beth Israel Deaconess Medical Center, Massachusetts & Rhode Island Poison Center

002. Hemodynamic Effects of Xylazine and Medetomidine in ED Patients with Opioid Overdose

Jennifer Love, MD, The Mount Sinai Hospital

003. Detecting Cannabis Intoxication and Impairment Using Wearable Sensors

Eric Kaczor, MD, acobs School of Medicine & Biomedical Sciences

004. Human Pharmacokinetics of Fentanyl, Xylazine, and Medetomidine in Patients Presenting to the Emergency Department After Non-Fatal Opioid Overdose

Alex Krotulski, PhD, The Center for Forensic Science Research and Education

Date **Saturday, March 21, 2026**

10:00-11:00 AM

Platform Session 2

077. Longitudinal Assessment of PFAS Body Burden: Implications for Patient Screening and Monitoring

Sherri Kacinko, PhD, NMS Labs

078. Healthcare Utilization Increased After PCB Exposure at a Contaminated School: A Cohort-NHANES Comparison

Pamela Anderson-Mahoney, PhD, Epidemiology Resources

079. AMIGO: An Explainable AI Model for Predicting Hospital Need in Poison Control Home Calls

Michael Chary, MD, Weill Cornell Medical College

080. Patients Report Similar Experiences With In-Person Versus Virtual Peer Recovery Coaches

Joseph Carpenter, MD, Emory University

Date **Sunday, March 22, 2026**

11:15-12:15 PM

Lighting Oral Session

153. Are Toxicologists Using Telemedicine?

Evan Schwarz, MD, University of California, Los Angeles

154. Comparison of Self-Reported Drug Use and Adjudicated Causality in Polydrug Overdose Presentations

Kim Aldy, DO, MBA, MS, American College of Medical Toxicology

155. Homicide by poisoning- a comparative review of the Uniform Crime Reports and the CDC WONDER database

Sandra Nixon, MD, University of Virginia

156. Comprehensiveness of State-Level Legislation Related to Substance Use Disorder Treatment Insurance Coverage and Drug-Related Overdose Mortality

Jamie Lim, MD, Boston Children's Hospital

157. Risk of Hydrogen Sulfide Off-Gassing From Victims After Lethal Exposure

Lesley Pepin, MD, Minnesota Regional Poison Center

158. National Trends in CroFab and Anavip Utilization in US Emergency Departments, 2016 – 2024: A Cross-Sectional Study Using Epic Cosmos

Austin Gay, MD, UT Southwestern Medical Center

159. Concordance Between Self-Reported Drugs and Blood Toxicology Results: Findings From the ToxIC DOTS Program

Rachel Culbreth, PhD, MPH, American College of Medical Toxicology
